RE: Thomas Rome

Dear Mr. Valenti:

This will confirm contact by your attorney, Brian Corcoran yesterday. This will confirm that I advised him that you are publishing false, defamatory, and actually made up quotations from an alleged federal filing that does not exist. This article actually is misleading the public that my client called former Superintendent Scarantino a "douche bag". I instructed Mr. Corcoran, who by the end of the conversation stated he does not represent you, that you must take down the defamatory article immediately to prevent further harm to my client. Obviously, you have knowingly, intentionally, kept the defamatory article and video up for display and accessible, of course, for your own profit at the expense of my client. Again, I am requesting you cease and desist the false publication.

If you have any questions, please feel free to contact me.

Very Truly Yours,

THE EMPLOYMENT LAW FIRM
